

TRANSCRIPT OF FEB. 19, 1850

Entry from the day book belonging to John Collins Warren in the possession of the Massachusetts Historical Society, describing John Collins Warren's gift to Dr. Henry Bigelow; MHS Catalogue Reference: N-1731, v.87, Feb. 19, 1850:

“Sent to Dr. H. J. Bigelow as a present an ancient tourniquet belonging to my father which went through the Revolutionary War. And also an amputating case which had gone through the war most of the important instruments remaining, but some having lost and replaced.”
